EQUITAINER GUIDELINES

1. Before returning equitainer, please verify that all the following components are enclosed:
 - a. 2 metal coolant containers
 - b. 1 black foam cup
 - c. 1 red plastic lid for cup
 - d. 1 red lid liner for inside red lid (weighted)
 - e. 1 clear plastic cup with lid
 - f. 1 ballast bag (clear plastic bag filled with purple fluid)
 - g. 1 metal clip attached to outside of container

If all components are not returned with the equitainer, the replacement price, minimum of \$10.00 for each missing object, will be deducted from the equitainer deposit.

2. The equitainer should be returned to Checkerboard Farms within **FIVE BUSINESS DAYS** from the mare owner's receipt of said container. However, during the height of breeding season, we ask that you return the container by Fed Ex, priority overnight the day of or after the last insemination. If the equitainer is not returned within the time required, the client's account will be charged a \$25 late fee. If the equitainer is not returned within seven working days, the client's account will be charged an additional \$10 per day late fee. Should the equitainer not be returned to Checkerboard Farms within a two-week period, the client's account will be charged \$300.

EQUITAINER CHECK LIST (items sent out with this shipment):

- 2 metal coolant cans
- 1 black foam cup
- 1 red plastic lid
- 1 red plastic lid liner
- 1 clear plastic cup
- 1 plastic cup lid
- 1 ballast bag
- 1 metal clip

PLEASE NOTIFY CHECKERBOARD FARMS IMMEDIATELY IF AN ITEM CHECKED DID NOT ARRIVE WITH THE CONTAINER AND IF ONE OF THE ABOVE ITEMS IS NOT CHECKED, YOU ARE NOT RESPONSIBLE FOR ITS RETURN
